

Website Terms of Use Policy

General use

Equity Health Partners may revise these terms and conditions from time to time.

Please [contact us](#) if you have any questions, problems or feedback regarding the terms of use.

Disclaimer

All information on this website is presented by Equity Health Partners for the purpose of disseminating services and health information for the benefit of our clients, the general public, providers, practices and organisations. Your use of Equity Health Partners does not:

- affect or reduce any obligation owed to you by Equity Health Partners
- reduce any obligation you owe to Equity Health Partners

The Equity Health Partners website is not a substitute for independent professional advice and you should obtain any appropriate professional advice relevant to your particular circumstances. You must exercise your own judgement and carefully evaluate the material on Equity Health Partners.

Lawful use

You must not post or transmit through Equity Health Partners any unlawful, defamatory, obscene, offensive or scandalous material, or any material that constitutes or encourages conduct that would contravene any law.

Security

Equity Health Partners will strive to protect the information you provide. We will use all reasonable endeavours to ensure that your information is not compromised. You should be aware of the risks associated with using websites.

We recommend that you use appropriate and up-to-date firewall and anti-virus software to protect your computer systems.

Where connection to a system or website outside our control compromises our objectives, we may sever links to that website or system.

Privacy

For more information about how Equity Health Partners protects your privacy and personal information, please see our [privacy policy](#)

Equity Health Partners does not share information about you with other organisations without your permission unless it:

- is necessary to provide you with a service that you have requested
- is required or authorised by law
- will prevent or lessen a serious and imminent threat to somebody's health.

Linked websites

We value and support partner organisations and take reasonable care in linking Equity Health Partners to other websites, however we have no direct control over the content presented in those websites. Any information on a linked website is provided 'As Is'.

We make no representation that the material on any linked websites does not infringe the intellectual property rights or any other rights of any person. We do not authorise the reproduction of such material.

We use the following criteria to select the links that are included on this site:

- The content must be authentic. Equity Health Partners will primarily link to partner organisations, reputable agencies, cultural agencies, representative bodies, and government agencies, and relevant websites
- Every effort is made to ensure the links are as current and as complete as possible, however due to the consistent process of change on websites, there will inevitably be some out-of-date or missing content at any point of time
- The content should be up-to-date and accurate. Links will be made in good faith with the expectation that the content is appropriately maintained by the author and is timely and accurate. However, we can offer no guarantees

Linking to Equity Health Partners

We welcome partnerships, communities of like-minded people and organisations. If you would like to link Equity Health Partners to your website, please [contact us](#) here.

Links to this website do not imply that Equity Health Partners endorses your website or services. We may ask you to remove the link from your website if deemed appropriate.
